ABOUT US

Partner with us today!

ACHE of the Triangle & Eastern North Carolina (ACHE-TENC) is a nonprofit membership association and an independent chapter of the American College of Healthcare Executives (ACHE), a professional society representing over 48,000 members worldwide. ACHE-TENC serves Nearly 1,000 ACHE members who live and work in the 54 North Carolina counties from the Raleigh-Durham area north to the Virginia border, east to the Outer Banks, and south to the South Carolina border.

MAKING A DIFFERENCE

Our Vision

ACHE-TENC will be the preeminent professional membership association for advancing healthcare leaders in the region.

Our Mission

The mission is to facilitate professional development for healthcare leaders in the region and prepare them to shape local, regional and national healthcare management practices.

Goals

- Deliver programs that bring local value to ACHE members assigned to our Chapter service region
- Increase communication among healthcare management professionals
- Advance members toward Fellow, ACHE certification
- Foster the development and implementation of best practices in healthcare management
- Practice good financial stewardship

COLLABORATORS

By collaborating with organizations that share ACHE-TENC's mission - to facilitate professional development for healthcare leaders in the region and prepare them to shape local, regional and national healthcare management practices - we provide local healthcare leaders with access to a more diverse professional network and a more robust discussion around healthcare trends and issues. Collaborators are not sponsors, so they do not provide ACHE-TENC with direct financial support. Some collaborations do lend themselves to cost sharing opportunities, thereby stretching sponsorship donations. Others bring the benefit of sponsor visibility to an expanded network of healthcare leaders beyond the ACHE-TENC membership. ACHE-TENC has collaborated with the following organizations over the past few years.

VALUE

Each year, ACHE-TENC offers a variety of programs that provide valuable educational material and networking opportunities for healthcare professionals in the area. Our local Chapter also provides mentorship opportunities, continuing education credits, and a job bank specifically for the region. Through TENC's affiliation with ACHE, our educational and networking events provide healthcare executives with continuing education hours at venues located throughout the area that directly apply toward advancement, recertification, and board certification in healthcare management.

EVENTS

As a sponsor, ACHE-TENC guarantees you and/or your organization access to a minimum of five education and networking events each year. Last year's educational events had on average over 50 participants at each event ranging in titles from Manager, Director, CIO, COO, CEO, MD, Medical Director, and JD, to name a few. Our members stem from a variety of healthcare industries including hospital administration, biotechnology, health insurance, physician practices and pharmaceutical sectors.
